Times - Gazette

VOL. LXIII. No. 25. REDWOOD CITY, CALIFORNIA, SATURDAY, SEPTEMBER 16, 1922 ESTABLISHED 1859

TWO TRIPS TO BE GIVEN TO HAWAII INSTEAD OF ONE

Not Too Late To Join Travel Club; Many Other Attractive Prizes Will Be Awarded

The people of San Mateo county have shown their approval of the Times-Gazette's wonderful offer in such unmistakable terms that we have decided to give two trips to Honolulu instead of one as was announced last week.

This means that two people from this vicinity will go to Honolulu with expenses paid as a result of the work they will do during the next five weeks.

Hawaii—theme of captivating lullabies, luring rhymes and romantic tales, the land of everlasting summer, flaming sunsets and seas of jade—is not the elusive, far away country to be sighed for but never seen, but on the contrary lies at your very doorstep and may be visited with ease.

That is if you take advantage of the splendid opportunity that is now offered the residents of San Mateo county by the Times-Gazette in the Travel Club.

Primarily the object of this great campaign is to enlarge the circulation of the Times-Gazette and the paper is going to spend many hundreds of dollars to do so.

Resourcefulness, patience and get there quickly are the qualities developed by competition. Competition is the life of success and makes achievement worth while.

This campaign means that the winners will be the kind of people who appreciate these things. It is a business proposition for business people but you do not need to spend all your time working at it. You may spend only your spare moments and win one of the trips.

There will be two trips to Los Angeles with expenses paid, as well as two trips to Honolulu. And you do not have to take the trips at any stated time but may take them at any time you may wish.

In addition to the trips there will be a $100 phonograph, make to be announced next week, and a six months' course at Heald's business college in San Francisco.

Extra Points

In order to make it extremely easy to secure points next week we will give in addition to the regular point schedule to each club member who turns in subscriptions to the Times-Gazette the following number of extra points. This offer will close at 6 o'clock on Saturday, September 23.

Extra points for this week are as follows: A club of $10 will entitle club members to 10,000 extra points; $15, to 20,000 points; $20, to 35,000 $25, to 50,000. This does not mean any of these amounts from one person, but subscriptions amounting to $10 or more from various persons.

Not Too Late to Join Club

There is plenty of time to join the Travel Club. Just cut out the nomination blank from the Times-Gazette and send to the office, or better still, bring it in and get all the deails from the club manager. Or if you will call her over the phone she wil call upon you at your home.

The Nominees

The folowing have been nominated as club members and the points that have been sent in for them are shown in this list:

	Points.
Redwood City	
Miss Norma Johnson	25,400
Miss Eva Debenedetti	21,400
Mrs. George Alvis	19,600
Mrs. Frank Wentworth	18,300
Mrs Lida Ruth Medefind	17,600

ARMS KING ESTATE WILLED TO CHARITY

Practically the entire estate of Mrs. Sarah Winchester, widow of [illegible] by the terms of her will filed in San Jose Wednesday. The Union Trust Company of San Francisco is named as executor and trustee.

The following relatives will receive an income from the estate during their lives: Mrs. Marion I. Marriott, Palo Alto; William W. Merriman, Norago; George L. Gerard, San Francisco; William P. Sprague, San Anselmo, and Mrs. Sarah F. Ruthrauff, Burlingame.

OIL MEN GET STRONG COFFEE

Several Standard Oil men from the local office of that company made up an enjoyable theater party to the Orpheum in San Francisco last Thursday night. After the performance the party gathered at Coffee Dan's for a midnight supper. On the way home the coffee, which was strong and plentiful, seemed to affect the boys nerves and each member was treated to a soulful serenade as he was delivered to his home.

We understand that the main reason for this party was to give to Brother Dodge some points in singing, that his ability in that line may not be wasted.

Those who attended the delightful affair were Henry Righitti, Ralf Dodge, Geo. Seits, Geo. Secker, F. C. McCourt, Chas. Douglas, Chas. Francis, C. S. Blake and S. M. Cooper.

Palo Alto was represented by Ben Buckhout and L. V. Gillette. And even Stanford Park sent as a delegate no less personage than E. G. Hoskin, our smiling and efficient assistant agent.

WILL RESIDE NEAR WOODSIDE

Mrs. Marie Cagnauft Fitzpatrick was married very quietly Tuesday at noon to Richard Coombs of San Francisco. The ceremony was performed by Rev. Ralph C. Waddell in Oakland Congregational Church. After a honeymoon trip of a few days the bridal couple will make their home in Woodside, where they have bought the J. J. Tynan home. The bridegroom is a broker and saw five years' oversea sservice as a major in the British army. The Tynan home Major Combs recently purchased is one of the show places of the Portola Valley and is just across the road from the Family Club farm.

BACK FROM VACATION

Louis Behrens, who with L. Greenwood of Orland and Walter Stuben has been vacationing in the northern part of the state, returned to his duties at the First National Bank on Wednesday. The pary spent two enjoyable weeks around west Mt Shasta and the Pit River country and got several deer during their stay.

BURGLARS BREAK INTO CHAMBER OF COMMERCE

Burglars entered the office of the chamber of commerce Thursday night through an unlocked window and finding Secretary Smith's desk locked proceeded to pry it open and go through his papers. Not finding anything of intrinsic value there they left iwthout disturbing anything else. This is the second time the place has been broken into, being entered some months ago but nothing taken.

REBEKAHS TO GIVE DANCE

The members of Olive Branch Rebekah Lodge are going to give a card party and dance next Tuesday evening at the I.O.O.F. Hall. Ice cream and cake will be sold at a nominal price and a good time is assured. Twenty-five cents will be the admission to either affair and the proceeds will be used for the benefit of the orphans' home.

MANY CLAIMS REJECTED AT SUPERVISORS' SESSOIN

The regular session of the county supervisors met in the court house last Monday at 10 a. m., those present being Dr. C. V. Thompson, presiding; T. L. Hickey, Rosalie M. Brown, John MacBain and Manuel Francis.

Bids were received for supplying and laying the linoleum for the new community hospital as follows: D. N. & E. Walter Company, $4,833.52; Val Fleet & Co., $4,810. Since the difference was only $23.52 and as one of the firm of D. N. & E. Walter was a taxpayer of this county, Supervisor MacBain moved that the contract be awarded to that firm. This motion was seconded by Supervisor Brown and passed by a unanimous vote.

The only bid for supplying hardware for the hospital was from the Wisnom-Bonner Company, being $6,323.35. Figures for installing the hardware were submitted by Barrett & Hilp, the general contractors, for the hospital, their estimate being $3,400. The bid of he Wisnom-Bonner Company was accepted on motion of Supervisor Brown, seconded by Supervisor Hickey. Supervisor Hickey's motion to accept the bid of Barrett & Hilp for the installation of the hardware was seconded by Supervisor Brown.

County Surveyor George Kneese was appointed to serve as engineer for the county on the new east side highway, upon motion of Supervisor MacBain, seconded by Supervisor Francis, and the members decided to go over the situation with Engineer Kneese as soon as possible to decide upon a route for the road.

The board at the request of Architect Toepke instructed County Surveyor Kneese to prepare surveys, drawings and plans for the roads, sewers, etc., necessary at the new hospital.

A communication from the California Construction Company, asking for an extension of 60 days on the contract for building the Pescadero-Santa Cruz county line highway, was received. On motion of Supervisor MacBain, seconded by Supervisor Hickey, the request was granted.

Board adjourned for noon recess at 1 o'clock.

Afternoon Session

The board reconvened at 2 p. m. with the same supervisors present, with the exception of MacBain, who was absent. Reports were received as follows:

From J. R. Eubanks, superintendent of the county farm, showing that 65 inmates had been cared for, 9 had been discharged and 1 died.

From County Auditor J. J. Shields showing the financial condition of the county.

From Dr. W. C. McLean, county veterinarian, showing $232.90 as the amount collected by him during the month of July.

An application for the position of engineer at the new community hospital was received from J. M. Gorry [illegible] for state aid for several children in the second township was approved.

A claim for $10 from Constable Owen of the second township for services in connection with the Hightower trial was rejected, as District Attorney Swart contended that this work was a part of the constable's regular work.

A claim for $75 filed by the Red Star stage line for transporting witnesses in the Coburn trial in September, 1919, from Pescadero to Redwood City, was rejected as being excessive.

A claim for $20 from John Larrouy for services as substitute janitor on the court house during the absence of one of the regular janitors was also rejected, as the board decided that this should have been paid by the janitor whose place he was taking.

A claim for $10 from James H. Taylor for the recovery of a body at San Bruno was also rejected.

A claim from Donald Derry of the Woodhams Stage Company for hauling red berries to the county jail was also rejected.

A claim for $10 for a law book from Bender, Moss & Co. was referred to the district attorney.

Plans and specifications submitted by County Surveyor Kneese for the construction of a levee along the county road from South San Francisco to San Bruno were adopted on motion of Supervisor Hickey, seconded by Supervisor Brown, and the clerk was ordered to advertise for bids for the same to be opened October 2, 1922, at 10 a. m.

The regular monthly claims which had been approved by the board, were ordered paid.

There being no further business the board adjourned to meet again Monday, September 18, 1922, at 10 a. m.

RODEO AT PACIFIC CITY

An attendance in excess of 900,000 during 10 weeks of operation is the remarkable record made by Pacific City, the splendid beach resort near Burlingame. An average of 90,000 per week as shown by the totals to date places Pacific City in the forefront of the country's amusement parks. Seldom has a new amusement enterprise won such immediate public favor. That Pacific City will pass the million mark in attenrance before October 1 seems a certatinty.

An unusually big program of entertatinment has been arranged for Pacific City's visitors tomorrow when Mayor Rolph and the San Francisco board of supervisors will share honors with a wild west show that promises plenty of thrills. The day has been dedicated by Pacific City to a booster demonstration for greater San Francisco. Several thousand city employes will join the mayor and supervisors in a municipal outing at the beach resort in the afternoon and evening. Mayor Rolph will act as referee of the rodeo.

The rodeo includes 17 bronchos, famous and infamous for their ability to unseat riders, 15 cowboys and 5 cowgirls, all expert riders and ropers, and a numbe rof racing ponies. Among the bronchos is one that bears the gentl title of "White Woman," but which is reputed to be the equal of the celebrated "Steamboat" as a twister and twirler. So far in the history of this rodeo only one rider, "Buck Wilson," has ever been able to ride this animal for more than a few seconds, although every man and woman in the show will attempt it today.

Tonight there is a splendid added attraction at Pacific City in the form of "Cy Perkins' Kountry Stoar," a feature which is both comic and remunerative, as it offers an opportunity to housewives to stock their pantries free.

LOCAL HAPPENINGS OF REDWOOD CITY

One of the metropolitan dailies had a picture of Cecil Smith, who was a student at Sequoia last year. Mr. Smith is now assistant pro. at the Del Monte golf course. He assisted his father last year when the latter was pro. for the Menlo Park Golf Club at its Woodside links. Cecil holds one of the very low scores obtatined on the local course and is a player of great ability. The picture referred to showed him with several other players who had made good scores at Del Monte.

The Redwood City fire department had its new Seagrave engine in working order Tuesday evening and demonstrated to the people of the town that they have fire apparatus that will do the work whenever it is needed. They had several streams playing clear over the top of Germania Hall and it required at least two men to hold the nozzle of the main hose, the force was so great.

Word has just been received from Miss Marguerite Kirtland telling of her safe arrival at Honolulu, T. H., where she will teach school this year. Miss Kirtland since her graduation from the state normal school at San Jose has been teaching at Maui, Hawaii. She came home this summer to spend her vacation with her mother, Mrs. Hopkins of Hudson street.

The girls' glee club, the treble clef, the boys' glee club and the school orchestra of Sequoia High School held their first meeting this week with good attendance.

Principal Argo of the Sequoia Union High School and Mr. Gill, the manual training instructor of the same institution, together with their wives, spent an enjoyable week end at Santa Cruz.

Miss Alice Lanfere, Mrs. Charles Curran and the latter's two children have left for Soledad, where they expect to remain about a week.

James Bradshaw, athletic director of the Sequoia Union High School, is getting great press notice for the wonderful work he did as quarterback of the Olympic football team in its game against the team from the battleship New York last Saturday. He was responsible for practically all of the 20 points scored by the club team and his long passes and quick work on the field were remarkable. He went into the game without having trained with his team mates and carried them to victory against a hard aggregation of players.

Miss Lucille Laskey, a former resident of Redwood City but now of San Francisco, spent last Saturday and Sunday visiting friends in Redwood.

Mrs. Harriet Cochrane of Aberdeen, Wash., has been in Redwood City this week visiting Mrs. M. A. Cloud. Mrs. Cochrane is on her way to Los Angeles to spend the winter with her sons.

The local high school is putting practice game of the season with St. Ignatius on the local field next Friday afternoon.

A band of gypsies was very much in evidence about the streets of Redwood City last Saturday. They did not come in tumbled down wagons with strings of horses as they did in the olden days, but they were in Hudsons, Fords, Chevrolets and several other makes of machines. They were dressed just as gaudily as of yore, however, and they told many fortunes for those who would cross their palms with silver. They remained in town all morning and then motored to their next destination.

Mr. and Mrs. Harry Potts have returned from Los Angeles, where they were visiting Mr. Potts' parents. While in the south they visited the Masonic Home at Covina and visited the Redwood City children who are at that institution. They report having had a very fine trip.

Manuel Simmons, janitor at the court house, is taking a two weeks' vacation, part of which he will spend in Monterey and Pacific Grove. During his absence C. Peterson will take care of the work at the court house.

A baby girl was born to the wife of Charley Thomas of the Thomas candy store last Saturday. The young lady is a genuine Native Daughter, having made her appearance on Admission Day. The little miss makes a trio of girls in the Thomas family.

Mr. and Mrs. Berthold Werder left Monday for a two weeks' camping trip through northern California. They have no objective point but will go wherever the roads and the hunting and fishing are good.

The ladies of the Methodist church will hold another of their popular food sales this afternoon from 12 to 4 at 196 Broadway.

Mr. and Mrs. Manel Souza of San Gregorio were visitors in Redwood last Saturday.

Among the recent arrivals in town is Dr. John M. Blood, M. D., who is going to make his home on Iris street in the Highlands. Dr. Blood comes from Exeter, Tulare county, where he has been practicing his profession. He was formerly in charge of the soldiers' home at Yountville.

Bill Stevens, who is connected with the Consumers' Produce Company, is leaving this week to attend the junior college at San Mateo.

Milk flowed in the streets of Redwood last Tuesday when an Overland car driven by Jesse Costa of San Mateo struck the rear end of the San Carlos Creamery delivery car, which was backing out from the curb on Broadway. Several cans of milk were spilled, but neither car was badly damaged.

The many friends of Alex Ryan will be glad to learn that he is recovering nicely from a serious operation he underwent at the Hahnemann Hospital at San Francisco.

Among the visitors from the coast side in Redwood this week was Geo. E. Dunn, editor of the Halfmoon Bay

James Hedge and his wife left on Thursday to spend a few days at Lake Tahoe.

P. J. McLaughlin of Birch street, with Mrs. McLaughlin and their young son, left for a motor trip to the southern part of the state last Monday to be gone about two weeks.

Mrs. C. R. Chapman, Mr. and Mrs. A. R. Chapman and baby daughter spent the week end at Benicia.

O. E. O'Leary, a prominent business man of Sebastopol, and Elva L. Patton of San Frncisoc were united in marriage at the Methodist parson-[illegible] ceiving the congratulations of friends upon the arrival of an 8-pound baby girl at the Redwood City hospital last Monday afternoon.

John J. Kelly and family of Woodside last Sunday visited their son, Sergeant of Marines Floyd E. Kelly, on the flagship California.

At the Admission Day celebration at San Bruno the speech of Associate Justice Charles H. Shurtleff of Menlo Park received the hearty applause of the assembled citizens.

The electrical and lighting effects for the Commercial Club show at the Masonic Hall were arranged by A. W. Grimmenstein.

Woodside Chirps

La Honda was the Mecca of an unusual number of pilgrims on Admission Day. After the sun had set and darkness came creeping over the hills we in Woodside could see a great gleaming serpent wriggling its way down the mountain side as the lights of the automobiles glowed in a constant stream from the summit of the ridge to the foot of the grade. What consternation such a sight would have brought to the Indian inhabitants of this valley a century ago!

Admission Day exercises at the Woodside school brought out a large throng of visitors and much credit was given by them to the children for the excellence of the program.

Mrs. Benjamin St. John, wife of the pastor of our church, has been quite ill for several weeks. She is now improving and her recovery brings happiness to the many who have come to love her.

Miss Belle McDonald of San Francisco has been visiting for several days with Mrs. Fred Mighall.

John C. Flynn, who has resided at Woodside for twelve years, passed away on Monday afternoon. He had been a great sufferer for many years. Services were held at the Layng undertaking parlors and at Cypress Lawn cemetery.

The Pacific Gas and Electric Company is taking time by the forelock and replacing all doubtful light poles in this district. Several poles went down in the storms of last winter, interrupting the service.

Woodside has her share of radio fans. W. H. Morse has in operation a station from which he and his friends derive much entertainment. Raymond von Savoye, a boy in the eighth grade, is installing a station of his own manufacture. It has already been tested out with satisfactory results. Several other staitons are being planned.

We are sorry to have to record the serious illness of John Fels at his home on the Canyada road. Mr. Fels is an old resident of this valley and has many friends hoping for his recovery.

Tony Dedo plans to become a prune magnate. Without an orchard of his own, he has bought up the crop from most of the smaller orchards of the neighborhood and has a large crew of workers helping him to pick and cure the fruit.

A. H. Audiffred is planning extensive improvements to the property that he recently purchased from Grover Neuman.

Mr. and Mrs. William Roth, who are occupying the Folger place for the summer, gave a dinner party for a large number of their friends on Tuesday evening.

It takes a woman a few years to learn that almost any man can be well entertained if you give him enough to eat.

FRATERNAL AID UNION VISITS PALO ALTO CHAPTER

A party of 31 members of the local chapter F. A U. visited the Palo Alto chapter last Tuesday, when Caesar Jones and his team of 12 girls, at the invitation of the Palo Alto chapter, put on their initiatory work in a manner which won the commendation of all who witnessed it. The following are the members of the team: Misses Annie MacKay, Annie Bullivant, Martha MacKay, Alice Sagessor, Annie Sagessor, Pearl George, Ruby George, Alma Hinman, Vera Moosburger, Mrs. Gladys Rosa, Mrs. Smith and Mrs. Tessy Jones.

Mr. and Mrs. Lacey, district organizers, pronounced the work perfect and asked the same team to put on the work in Oakland in November. The officers from Redwood who attended the affair were Mrs. Selma Locke, Mrs. Mary Winter, Mrs. Tilda McNulty, Harry Potts and George McNulty. Music was supplied by Mrs. Dolly Jameson and "Sunny" Havey. After the lodge adjourned a banquet was served by the Palo Alto folks, which was enjoyed by all.

NEW ILLUMINATING EFFECTS FOR FORESTERS' HALL

A. W. Grimmenstein, Redwood City's electrical contractor, has received the contract for re-illuminating the meeting hall of the Foresters' Hall Association. The new lighting system will make a wonderful improvement to the hall and will be of great benefit to the fraternal orders meeting there.

DR. NULL RETURNS

Dr. and Mrs. J. G. Null, who spent last two weeks in Siskiyou and Modoc counties, returned last Saturday to his office in the Wahl building. Dr. Null reports having had a fine time hunting big game in the lava country. He got the limit of deer, which he says are pentifu up there.

BAPTIST CHURCH

Sunday evening at 7:45 special attention will be given to song. Mr. and Mrs. Edminster will be assisted by singers from San Jose. There will be several short, crisp addresses.

Morning Bible study and worship begins at 10 o'clock. "I was glad when they said unto me, let us go up unto the house of the Lord." Come and welcome.

DINNER DANCE AT WOODSIDE

What probably will be the last formal affair given for the summer colony in this vicinity was the dinner dance Tuesday night at which Mr. and Mrs. William Roth were hosts. The Roths have been occupying the Folger home at Woodside this summer and it is among the most beautiful of the peninsula homes. It is large, with spacious rooms which open together and are ideally suited for entertaining. Surrounding the home are gardens and groves of trees in which Mrs. Roth has given several outdoor suppers and barbecues.

MT. VIEW BOOSTERS VISIT REDWOOD CITY

A large delegation of boosters from Mountain View stopped at the Redwood City Chamber of Commerce Thursday morning. The folks from that wide awake little town were on their way north, stopping at the towns en route in a "know the peninsula" campaign. They were met at the Chamber of Commerce by R. H. K. Smith and an enthusiastic group of the local business men. Apples and cigars were passed around by Mr. Smith, who welcomed the visitors in a truly cordial manner. The party then formed on the steps of the court house for a picture, after which they were addressed by Frank K. Towne, president of the local chamber of commerce, in a welcoming speech which was ably delivered and carried with it a true spirit of welcome and friendship.

This was answered by the commercial secretary of the Mountain View Chamber of Commerce, Frank Marsh, who told of the reasons for the present visit, a desire to bring about a closer understanding and a better co-operation among the peninsula towns.

Guy Clifton then spoke in behalf of the Commercial Club of Redwood City and told of the great minstrel show and bargain days which were held yesterday and today.

After leaving Redwood the boosters went to Belmont and then to Pacific City, where there was a luncheon served and entertainment given them.

This visit shows the right spirit in Mountain View and we sincerely hope they may be successful in their mission.

SHORTRIDGE'S BUSY DAY

Senator Samuel M. Shortridge, of San Mateo county and the United States in general, had a busy day last Friday when six of the ten bills that were passed by the upper house of the national legislature were his personal bills, introduced and fathered by him.

One of the bills which will become a law when President Harding shall have inscribed his name upon it is a bill that permits the government to take over a tract of land near Mt. Shasta, which will be given by Miss Mary B. Britton as a public park in memory of her brother, the late William G. Britton. The Brittons were old time residents of this community. For years William G. Britton owned the farm which is now known as the White Oaks tract, while his sister owned the Britton tract, which is south of San Carlos, and also part of the town of San Carlos. Miss Britton still owns large holdings here.

DISTRICT ATTORNEY SWART RETURNS FROM SOUTH

District Attorney Franklin Swart, who with his wife and little son has been in the southern part of the state for a short time, returned to his duties at the court house last Tues-[illegible]dena and Los Angeles. At Riverside Swart attended a memorial service in honor of the memory of Hugh Craig, for many years superior judge in that county, who died recently in his chair just after having delivered a lecture on health. Many prominent attorneys, judges and private citizens paid tribute to the esteem in which Judge Craig was held.

SAN MATEO MAN CALLED

Edward G. Kugeman, who has made his home in San Mateo for many years, was called by death last Sunday, following a stroke of paralysis the preceding Thursday. Kugeman was prominent in San Francisco business circles, being associated with the firm of Jonck, Beran & Kibbee. The deceased leaves a widow, Hazel M. Kugeman, and three children, Seymour, Edward and Jane Kugeman. The funeral took place Tuesday from the Truman parlors in San Francisco.

COUNTY COMMITTEE MEETS

The new Republican county committee elected on August 29 met at the court house on Tuesday afternoon and organized for the campaign by electing John MacBain as chairman, Elizabeth M. Nash secretary and J. E. McCurdy treasurer.

Horace Amphlett was selected as the publicity man for the committee. All the members pledged themselves to work for the success of the nominees of the party.

At the next meeting suitable resolutions will be adopted and a plan of campaign outlined. The next meeting will be shortly after the state convention on September 29.

The following is the membership of the county committee elected at the primary election:

First township—Fred A. Cunningham, W. H. Dinning, Eugene C. Duffy, A. J. Eschelbach, George W. Holston, E. P. Kauffman, Edwin C. Peck.

Second township—Horace W. Amphlett, J. E. McCurdy, Francis T. Rapp, W. H. Pearson, C. M. Fischer, W. A. Emmett, Jr., F. P. Simmen, E. L. Hoag.

Third township—P. P. Chamberlain, John MacBain, Elizabeth M. Nash, D. E. O'Keefe, E. H. Werder.

Fourth township—H. E. Griffiths, D. J. Lynch.

Fifth township—C. V. Thompson.

FORMER CONGRESSMAN HURT

Hugh Hersman, who represented this district in congress two years ago, was severely injured in an automobile accident near Mission San Jose on Tuesday. Mr. Hersman with two companions was in a machine which was crowded off the road by a speeding automobile and the auto in which he was riding turned over, crushing the occupants. Mr. Hersman was the least badly injured of the trio, all of whom reside in Gilroy.

HALFMOON BAY PIONEER ANSWERS FINAL SUMMONS

Archie McGinty, one of the oldest pioneers of Halfmoon Bay, was gathered to his fathers at his home on the coast side last Sunday. Mr. McGinty was one of the best known men in San Mateo county, where he had resided for over sixty years. For all of that time he lived in the same place in the little village which was called Spanishtown when he went there to make his home. About 50 years ago he married Miss Jennie Doaf, daughter of a Spanishtown farmer, and she and one sister, Miss Margaret McGinty, are the only surviving relations. The funeral was held from his late home Tuesday at 1:30 p. m. and interment was in the Odd Fellows' cemetery.

MINSTRELS MEET WITH SUCCESS AT PERFORMANCE LAST NIGHT

Prizes to be Awarded This Evening in Connection With Shows by the Commercial Club

One of the events of the season is the Commercial Club's minstrel show which was produced at the Masonic Hall last night and will be repeated tonight. After nights of rehearsing under all sorts of difficulties the local talent developed a perfect working machine which displayed the ability of professionals at their first performance last night. Owing to the indisposition of Director Kyed, the versatile secretary of the chamber of commerce and commercial club, R. H. K. Smith, took charge, and last night's performance speaks well for his ability and perseverance.

The following will be the program:

Opening chorus, King Jollity and all hands, chorus of 40.

"Ma Hannah Lady," Slewfoot McNeil.

"I'm All Alone," Lonesome Parsons.

"Oh Oh Miss Phoebe," Jazzbo Rush.

"All I Wants is my Black Babay Back," Hallelujah Doxsee.

"I Wish I Knew," Catapult Wentworth.

"Darktown Is Out Tonight," Buster Brown.

"O, Death, Where Is Thy Sting?" Shoot on High Curran.

"Las-Pas-Ma-La," song, dance, jazz and ginger, by the Ends.

"Mammy," Closing Chorus.

"Big Smoke in Blackville Town," Shorty Woodhams.

OLIO

A Boquet of Musical Melody, Miss Claire Gazley and Ricardo Lambert.

A Sketch of Home Brew, Dockstader brothers.

Accordion toe ticklers, Signor Diero.

A Potpourri of Hot Stuff, by Redwood City's favorite mandolin orchestra, Philip Demma and Signor Josephus Sepulveda.

Grand prize cakewalk in which 10 couples of Redwood's cleverest terpsichorean artists will appear. The prize cake will be awarded by the audience by acclamation to the best couple.

The big show is being given in connection with Redwood City's big monthly bargain days. The wonderful bargains offered by our enterprising merchants have been extensively circularized throughout the southern part of the county. Redwood City will be crowded with visitors for the week end and proceeds of the minstrel show will be donated to the city by the commercial club toward erecting an ornamental arch at the highway and Broadway. Reserved seats at Ryan's drugstore.

NEW GARDENER AT HIGH SCHOOL GROUNDS

Leo Faso, who was appointed two weeks ago to take charge of the gardening work on the new high school grounds, commenced his duties in that capacity last Wednesday. Mr. Faso, who is a competent landscape gardener, has moved into Redwood City recently, having lived for many years at Woodside, where he had charge of the gardening work of the Charles Joslyn place.

NIGHT SCHOOL STARTS

The night school of the Sequoia Union High School started last Monday night with a large enrollment. A splendid set of courses are available this year and many subjects not hitherto included in the night classes have been added. The following subjects form the program for this term:

Citizenship and English for foreigners, Miss Neff.

Woodshop work, Mr. Gill.

TEACHERS' INSTITUTE

County Superintendent of Schools Roy W. Cloud has called the teachers' institute for October 9, 10 and 11 at the San Mateo high school, San Mateo. This will be welcome news to the kiddies, as it means a week of vacation for them and three days of school for their teachers. Instructors have been provided who will give the county teachers a number of new ideas which they can take back to their schools with them and use during the coming year.

FREEHOLDERS REPORT

The charter committee of the board of freeholders of the city of San Mateo, consisting of Lee T Ross, J. E. McCurdy, Joseph B. Gordon and Horace W. Amphlett, has completed the draft of the new charter for that city and submitted the same to he board of freeholders a a meeting held Thursday night.

The committee has had the assistance of W. J. Locke of San Francisco, an expert in city charter matters, in the forming of the charter. If the charter as proposed meets with the approval of the board of freeholders it will immediately be submitted to the board of trustees of the city of San Mateo, possibly at their next meeting. It will then become the duty of the trustees to call a special election, at which time the voters of the city may reject or adopt the charter. If approved, it is then submitted to the state legislature and after approval will be adopted by the city. The plan calls for the adoption of the city manager form of government.

WILL PICNIC AT LA HONDA

The weekly bulletin of the California state board of health of September 2 printed the program of the concention of the League of Municipalities Health Officers, which will be held September 19 to 22. The place of the convention has not been fixed other than that it will be held in San Francisco and vicinity, except that the place of meeting of the last day's session is fixed "among the redwood trees of La Honda, where a trout dinner will be enjoyed." The article states that "an attractive dining room is available for the use of the health officers and the usual round of speech making will be indulged in."

STATE TEACHERS' COLLEGE TO OPEN MONDAY

The California State Teachers' College, formerly the San Jose normal school, will open Monday with what promises to be a record attendance. Several of this year's graduates of the Sequoia Union High School have already enrolled. The new enrollments from Redwood are Maud Stilleson, Loraine Breese, Doris Vaneer, Lucie Benfley, Mable Corwin.

Two local girls are already attending the San Francisco normal school which opened last week. These are Ann Hudec and Clara Curtis.

ADMISSION DAY AT SAN JOSE

The celebration of Admission Day will live long in the pleasant recollections of all who were fortunate enough to attend the same at San Jose, and especially those of San Mateo county, which is noted for the loyalty of her sons and daughters, and the county can look with pride on Redwood Parlor, N. S. G. W., and Bonita Parlor, Native Daughters, [illegible] proaching with military step learned at Camp Fremont, but the Menlo Park stalwarts of Menlo Parlor, N. S. G. W., and not to be outdone the Menlo Parlor of Native Daughters in gorgeous apparel, making a combination of splendor.

So San Mateo county shared in the applause which was unstinted all along the line of march. However, we were asked several leading questions which we were unable to answer, one of which was:

Will Fred Glennan ever get old?

When did "Billy Plump" join the Native Sons and what happened to genial Johnny Johnson and smiling Andy Walsh—surely they are as young as ever?

Did you see "Mose" Kavanaugh stepping to Sousa's march like a 4-year-old and making Assessor Flynn and Frank Johnson look like superannuated Natives?

Come again, Redwood and Menlo—San Jose appreciates your loyalty.

LADIES' AID RAISES MONEY FOR CHURCH BUILDING

The Ladies' Aid of the First Congregational church met for their regular business meeting last Wednesday afternoon at the home of Mrs. Charles Locker on Mound street. The ladies succeeded at this meeting in raising the last $500 of the money they had pledged toward the construction of the beautiful new church building now under construction on Jefferson street. This makes a total of $1,000 which the society has given to this worthy cause.

Plans were also arranged to hold a food sale at the store of Woodhams & McNeil on Broadway on the afternoon of Saturday, the 23d.

After the meeting refreshments were served by the hostess and the ladies devoted themselves to an enjoyable social afternoon.

VISIT STATE FAIR

Mrs. Alice Barry and Misses Pearl Beer and Eva Locker went to Sacramento last Friday and remained until Monday visiting Mrs. G. I. Wilson, formerly of Redwood. The ladies visited the state fair and are enthusiastic about the exhibits there displayed. They were showed about the capital city by their friends and among other things went up into the dome of the capitol, from which a fine view is to be had over the surrounding country.

Six months, in advance..... 1.50

Entered as second class matter, at the Postoffice at Redwood City, California, under the Act of Congress of March, 1879.

SATURDAY, SEPTEMBER 16, 1922

The other day at Washington six bills introduced some time ago by Senator Shortridge were passed in one day. This is something unusual in the senate. If a senator secures the passage of one bill in a day he considers himself in luck. It only goes to show the great popularity of California's junior senator at the capital.

—o—o—o—

The return of Lodge, Townsend and Poindexter to the senate with large majorities is an indorsement of the Harding administration. The Maine election on Monday also shows the people are satisfied with the present Republican executive. The Republican party is keeping its promises with the people and is giving the country a wise, economical and patriotic administration.

—o—o—o—

THE BURDEN OF MILITARISM

The Farmers and Merchants National Bank of Los Angeles in its monthly letter calls attention to the fact that the standing armies of the world total 6,179,000 men.

"Europe is still an armed camp. Thirteen nations have larger standing armies than the United States." In the above total Germany is not counted as having a single soldier. "It is simply exasperating that all these men should be withdrawn from productive operations and be supported by the toilers."

It is significant that such a level headed protest should come from a great banking house.

—o—o—o—

THE HEART OF HUMANITY

The eyes of the world have been turned toward Jackson, in Amador county, during the past month and more prayers have gone up for the rescue of the 47 entombed miners than have gone up to the Great Master of the Universe for some time. From indications it would seem that those working for the rescue of the miners may end their labors before this paper is printed. We confidently hope that all of their labor will not have been in vain and that they will find the men safe and well enough so that they may be restored to health and strength.

It is now over two weeks since the great catastrophe occurred that shut these 47 men away from their families and their friends and never in all of that time have those in authority faltered in their determination to release the men if such a thing were humanly possible. The owners, the miners and the state and the nation have all lent their aid. People all over the country have sent messages and cheer to those who have suddenly lost their protectors and the stricken families know that they have the sympathy of all the people of the country. This is a pretty good world to be in. At times it looks as if the only concern of the people was money making, but an affair of this kind shows that the world really has a heart.

SOME IMPRESSIONS

A movement was in process of incubation last week to persuade one of the local papers to become a daily publication. The idea broke before hatching, however, as neither of the said local papers could see the idea of becoming a daily. Redwood City is not yet at the stage of its career where a daily paper is an inviting proposition. It is possible that someone might get out a daily paper, but it is doubtful. Redwood City is too close to San Francisco, where the big papers catch everything of world interest and further than that any community with fewer than five thousand population is not in a position to finance such a proposition.

A short time ago we had occasion to visit the county farm near the Spring Valley lakes. A county farm of necessity calls to mind some unpleasant ideas. One doesn't like to think of being dependent on a county when he comes to the end of the trail. We were surprised, however, at the happy and contented old men and women whom we saw there. We were pleased with the way everything looked. We went into the hospital and there everything was as clean and neat as anyone could wish to find in a privately managed hospital. San Mateo county is certainly fortunate in having Mr. and Mrs. James Eubanks in control of the county farm. Mrs. Eubanks makes an ideal matron. She is everywhere where she is needed. Mr. Eubanks is just the man for his place. He is a good manager. He is kind to the old fellows who are under his charge but he is firm with them and makes them understand that they must keep clean and decent if they want to stay at his place.

We noice that the town authorities have painted nice white lines in front of the court house so that the automobile owners will park their machines alongside and parallel to the sidewalk. We notice also that the automobile drivers who park their cars in front of the court house pay little atention to the lines, but stick the back ends of their cars out into the middle of he streets

We were very much interested to learn last week that Congressman Arthur M. Free has succeeded in having the postoffice at South San Francisco divorced from the San Francisco postal department. Mr. Free has also designated a postmaster who shall be ready to take over the affairs of the office on September 29. This marks the end of another attempt of certain individuals to put in an entering wedge to take part or all of San Mateo county into San Francisco. There was no reason for closing the South City postoffice. The officials there were giving satisfaction and at no stage of the game was it contended that the service could be cheapened or bettered by making the office a substation of the San Francisco department. Notwithstanding, the change was made and now after several years of fighting, the people of South San Francisco will again have a chance to assert their individuality so far as postal matters are concerned.

HARRY DEARBORN ERECTS NEW HOME

Ground was broken Thursday for the new home of Harry Dearborn on Duane street. The house, which is to be of the bungalow type and finished in stucco, is being built by George Squires and is to cost $5,000. Mr. Dearborn, who is well known throughout the county, is a salesman of the Union Oil Company.

NOTICE TO VOTERS

Notice is hereby given to the electors of the State of California that the following Bond Act will be submitted to the people of the State of California for their ratification at the next general election to be holden on the seventh day of November, A. D. 1922.

Frank C. Jordan, Secretary of State.

CHAPTER 733, STATUTES OF 1921

An act to authorize the creation of a debt or debts, liability or liabilities, throught the issuance and sale of state bonds, for the single object of creating a fund to carry out the provisions of the land settlement act, approved June 1, 1917, and of any and all acts amendatory thereof or supplemental thereto; to provide ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; to create a state land settlement finance committee, the members of which are to serve without compensation; to define the powers and duties of said state land settlement finance committee and of other state officers in relation to this act; to appropriate money for the expense of preparing and of advertising the sale of the bonds herein authorized to be issued; and to provide for the submission of this act to a vote of the people at the general election to be holden in the month of November, 1922.

(Approved June 3, 1921.)

The people of the State of California do enact as follows:

Section 1. For the purpose of creating a fund to carry out the provisions of the land settlement act, approved June 1, 1917, and of any and all acts amendatory thereof or supplemental thereto, the object of which acts is to provide employment and rural homes for soldiers, sailors, marines and others who have served with the armed forces of the United States in the European war or other wars of the United States, including former American citizens who served in allied armies against the central powers and have been repatriated, and who have been honorably discharged, to promote closer agricultural settlement, to assist deserving and qualified persons to acquire small improved farms, to demonstrate the value of adequate capital and organized direction in subdividing and preparing agricultural land for settlement, and to provide homes for farm laborers, in accordance with the European plan of the land settlement act, approved June 1, 1917, and of any and all acts amendatory thereof or supplemental thereto; provided, that the said land settlement board must pay over to the general fund of the state from the proceeds of the sale of bonds all money which has been heretofore or may be hereafter appropriated and advanced out of the general fund of the state treasury for the use of the state land settlement board on condition that it shall be so paid over; provided, further, that the said state land settlement board may out of the proceeds from the sale of said bonds, pay all or any part of any indebtedness heretofore by it incurred in accordance with law and remaining unpaid, including the interest accrued thereon, unless the rate of interest applying to such indebtedness is less than the rate of interest applying to the said bonds; and provided, further, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

Sec. 2. After the issuance of the proclamation of the governor provided for in section sixteen of this act, and immediately after adoption of any resolution by the state land settlement finance committee hereby created, provided for in section eleven of this act, the state treasurer shall prepare the requisite number of suitable bonds of the denomination of one thousand dollars in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this act shall not exceed the sum of three million dollars and the bonds issued under any such resolution shall bear interest from the date of issuance of said bonds to the date of maturity thereof, at a rate to be determined by the said state land settlement finance committee and specified in such resolution, but in no case exceeding six per cent per annum. Both principal and interest shall be payable in gold coin of the United States, of the present standard of value, at the office of the state treasurer or at the office of any duly authorized agent of the state treasurer, and shall be so payable at the times specified in said resolution or resolutions.

All bonds issued under this act shall bear the signature of the governor and the facsimile countersignature of the controller and shall be endorsed by the state treasurer either by original signature or by signature stamp adopted for each particular bond issue under this act, and the said bonds shall be signed, countersigned and endorsed by the officers who shall be in office on the date of issuance thereof, and each of said bonds shall bear an impress of the great seal of the State of California. The said bonds so signed, countersigned, endorsed and sealed, when sold, shall be and constitute a valid and binding obligation upon the State of California, although the sale thereof be made at a date or dates upon which the officers having signed, countersigned and endorsed said bonds, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the time of signing, countersigning, or endorsing said bonds. Each bond issued under this act shall contain a clause or clauses stating that interest shall cease to accrue thereon from and after the date of maturity thereof, and referring to this act and to the resolution of the state land settlement finance board hereunder by virtue of which said bond is issued.

Sec. 3. The requisite number of suitable interest coupons, appropriately numbered, shall be attached to each bond issued under this act. Said interest coupons shall bear the facsimile signature of the state treasurer who shall be in office on the date of issuance of the bond to which said coupons pertain.

Sec. 4. All bonds issued under this act and sold shall be deemed to have been called in at their respective dates of maturity and the state treasurer shall, on the respective dates of maturity of said bonds, or as soon thereafter as said matured bonds are surrendered to him, pay the same out of the proceeds of the controller's warrants drawn in his favor as provided in section five hereof and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. He shall also, on the said respective dates of maturity, cancel all bonds bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof. The provisions of this section shall be applicable also to the interest coupons pertaining to the bonds authorized by this act to be issued, and shall be applicable, as far as practicable, to any duly authorized agent of the state treasurer.

Sec. 5. There is hereby appropriated from the general fund in the state treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this act, as said principal and interest becomes due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the state, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the general fund in the state treasury, all of the moneys subject to and available for the use of the state land settlement board not in excess of the principal of and interest on the bonds, then due and payable and, in the event of such moneys so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the general fund in the state treasury as soon thereafter as it shall become available, together with interest thereon, from such dates of maturity until so returned, at the rate of five per cent per annum, compounded semiannually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn by the controller of the state in favor of the state treasurer or in favor of any duly authorized agent of the state treasurer, upon demands audited by the state board of control, and the moneys to be returned into the general fund in the state treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the controller of the state upon demands duly audited by the state board of control.

Sec. 6. The sum of ten thousand dollars is hereby appropriated out of any money in the state treasury not otherwise appropriated to pay the expenses that may be incurred by the state treasurer in having said bonds prepared and advertising their sale. Said amount shall be refunded to the general fund of the state treasury out of the land settlement fund in accordance with the provisions of this act on controller's warrant duly drawn for that purpose.

Sec. 7. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as the said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the state land settlement board and approved by the governor of the state; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accured thereon between the date of sale and the last preceding interest maturity date; and with the approval of the governor, he may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the day fixed for such sale.

Sec. 8. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in one newspaper published in the city and county of San Francisco and also by publication in one newspaper published in the city of Oakland and by publication in one newspaper published in the city of Los Angeles and by publication in one newspaper published in the city of Sacramento once a week during four weeks prior to such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon, shall be forthwith paid over by said treasurer into the land settlement fund in the state treasury and must be used exclusively to provide employment and rural homes for soldiers, sailors, marines and others who have served with the armed forces of the United States in the European war or other wars of the United States, including former American citizens who served in allied armies against the central powers and have been repatriated, and who have been honorably discharged, to promote closer agricultural settlement, to assist deserving and qualified persons to acquire small improved farms, to demonstrate the value of adequate capital and organized direction in subdividing and preparing agricultural land for settlement, and to provide homes for farm laborers, in accordance with the provisions of the land settlement act, approved June 1, 1917, and of any and all acts amendatory thereof or supplemental thereto; provided, that the said land settlement board must pay over to the general fund of the state from the proceeds of the sale of bonds all money which has been heretofore or may be hereafter appropriated and advanced out of the general fund of the state treasury for the use of the state land settlement board on condition that it shall be so paid over; provided, further, that the said state land settlement board may out of the proceeds from the sale of said bonds, pay all or any part of any indebtedness heretofore by it incurred in accordance with law and remaining unpaid, including the interest accrued thereon, unless the rate of interest applying to such indebtedness is less than the rate of interest applying to the said bonds; and provided, further, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

Sec. 9. The state land settlement board shall be and hereby is authorized with the approval of the state board of control, to invest any surplus moneys in any of the funds subject to or appropriated for its use in bonds of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California and to sell such bonds, or any of them, at the governing market rates, upon approval of the state board of control.

Sec. 10. There is hereby created a state land settlement finance committee composed of the governor, state controller, state treasurer, chairman of the state board of control, and chairman of the state land settlement board, all of whom shall serve thereon without compensation and a majority of whom shall be empowered to act as said committee. The attorney general of the state shall be the legal advisor of the state land settlement finance committee.

Upon request of the state land settlement board, supported by a statement of the plans and projects of the state land settlement board with respect thereto, the state land settlement finance committee shall determine whether or not a bond issue under this act is necessary or desirable to carry such plans and projects into execution.

Sec. 11. Whenever the said state land settlement finance committee shall have determined that a bond issue under this act is necessary or desirable to carry such plans and projects into execution, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the state treasurer to prepare the requisite number of suitable bonds and shall specify:

1. The aggregate number, aggregate par value and the date of issuance of the bonds to be issued.

2. The date or dates of maturity of the bonds to be issued and the number and numerical sequence of the bonds maturing at each date of maturity.

3. The annual rate of interest which the bonds to be issued shall bear.

4. The number, numerical sequence, amount or amounts, and the dates of maturity of the interest coupons to be attached to the said bonds.

5. The technical form and language of the bonds to be issued and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the state land settlement finance committee shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the state land settlement board from the project or projects to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, and be commensurate, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, that the bonds first to mature in each issue, shall mature not later than five years from the date of issuance thereof; provided, further, that specific numbers of bonds of specified numerical sequence shall thereafter mature at annual intervals; and provided, further, that the bonds last to mature in each issue shall mature not later than forty-five years from the date of issuance thereof.

The rate of interest to be borne by the said bonds shall be uniform for all the bonds of the same issue and shall be determined and fixed by the state land settlement finance committee according to the then prevailing market conditions, but shall in no case exceed six per cent per annum, and the determination of said committee as to the rate of interest shall be conclusive as to the then prevailing market conditions. The interest coupons to be attached to the said bonds shall be payable at semiannual intervals, from the date of issuance of said bonds; provided, that the interest coupons first payable may, if the state land settlement finance committee shall so determine and specify, be payable more or less than the date of issuance of said bonds.

Sec. 12. All actual and necessary expenses of the state land settlement finance committee and of the members thereof shall be paid out of the land settlement fund, upon approval of the state board of control and on controller's warrant duly drawn for that purpose, and shall constitute expenses of the state land settlement board.

Sec. 13. The state controller, the state treasurer, and the state land settlement finance committee shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

Sec. 14. This act, if adopted by the people, shall take effect on the fifteenth day of November, 1922, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 15. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be holden in the month of November, 1922, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the land settlement bond act of 1921," and in the same square under said words the following in brevier type: "This act provides for a bond issue of three million dollars to carry out the purposes of the land settlement act." In the square immediately below the square containing such words, there shall be printed on said ballot the words: "Against the land settlement bond act of 1921" and in the same square immediately below said words "Against the land settlement bond act of 1921" in brevier type shall be printed "This act provides for a bond issue of three million dollars to carry out the purposes of the land settlement act." Opposite the words "For the land settlement bond act of 1921" and "Against the land settlement bond act of 1921," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the land settlement bond act of 1921" and those voting against the said act shall do so by placing a cross opposite the words "Against the land settlement bond act of 1921." The governor of this state shall include the submission of this act to the people,

NOTICE TO CREDITORS

In the Superior Court of the State of California, in and for the County of San Mateo.

In the matter of the estate of Hannah O'Neill, deceased.

Notice is hereby given by the undersigned administrator of the estate of Hannah O'Neill, deceased, to the creditors of and all persons having claims against the said deceased, to file them, with the necessary vouchers, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Mateo, or to exhibit the same, with the necessary vouchers, within four (4) months after the first publication of this notice, to the said administrator at the law offices of Jas. T. O'Keefe, No. 71 Broadway, Redwood City, San Mateo County, Cal., the same being the place for the transaction of the business of said estate in the County of San Mateo, State of California.

Dated this 24th day of August, A. D. 1922.

JOHN J. O'NEILL,
Administrator of the estate of Hannah O'Neill, deceased.
JAS. T. O'KEEFE,
No. 71 Broadway, Redwood City, Attorney for Administrator.

First publication in Times-Gazette August 26, 1922.

NOTICE OF SALE OF REAL ESTATE

In the Superior Court of the State of California, in and for the County of San Mateo.

In the matter of the estate of Charlotte Poole Powers, deceased.

Notice is hereby given that in pursuance of Section 1536 of the Code of Civil Procedure of the State of California, and other Sections of said Code, and also in pursuance of an order of said Court duly given and made in said matter on the 8th day of September, 1922, the undersigned, Administrator of the estate of said Charlotte Poole Powers, deceased, will, on or after the 20th day of September, 1922, offer for sale, and sell at private sale, to the highest bidder or bidders, for cash, in lawful money of the United States, and subject to confirmation by said Superior Court, all of the right, title, interest and estate that the estate of said deceased has by operation of law, or otherwise acquired, other than, or in addition to that of the said Charlotte Poole Powers at the time of her death, of, in and to those certain pieces, parcels and tracts of land situate, lying and being in the County of San Mateo, State of California, and particularly described as follows, to-wit:

1.

Lots Nos. Twenty (20), Twenty-one (21) and Twenty-two (22) in Block No. Five (5), Tract No. One (1) as delineated on that certain map entitled "Map of the Property of the San Carlos Park Syndicate, San Mateo County, California," which said map was filed for record in the office of the Recorder of the County of San Mateo, September 3rd, 1907, and recorded in Book 5 of Maps at pages 24, 25 and 26, as the same was amended by a certain blueprint attached to and made a part of that certain Deed from San Carlos Park Syndicate, a corporation, to Gertrude McKinery, bearing date September 17th, 1908; with improvements thereon consisting of the "Red House"—an Apartment House of 9 rooms (3 rooms each Apt.) and Double Garage.

2.

All that certain lot, piece or parcel of land situated, lying and being in the County of San Mateo, State of California, and which constitutes and is a portion of lot number one (1) and a portion of lot number two (2) in block number twenty-nine (29), as said lots and block are delineated, shown and numbered on that certain map entitled "San Carlos, San Mateo Co., Cal." which said map was filed in the office of the County Recorder of said San Mateo County on September 4th, 1888, in Map Book "B" at page 19 thereof, and recorded in Map Book number 1 at page 76 thereof; and which said lot or parcel of land is more particularly described as follows:

Bounded by a line commencing at a point in the southwesterly line of Elm Street, distant thereon twenty (20) feet northwesterly from the point of intersection of said line of Elm Street with the northwesterly line of Cypress Street, as said Elm Street and Cypress Street are delineated and shown on the above mentioned map,—said point of commencement being also described as the point of intersection of the southwesterly line of Cypress Street, as said Cypress Street has recently been widened and is now laid out and used upon the ground, with the said southwesterly line of Elm Street; running thence northwesterly, on and along said line of Elm Street, one hundred and thirty (130) feet; thence at a right angle southwesterly and parallel with said line of Cypress Street sixty-five (65) feet; thence at a right angle southeasterly and parallel with said line of Elm Street one hundred and thirty (130) feet and to a point in the said northwesterly line of Cypress Street as widened as aforesaid; and thence northeasterly on and along the said line of Cypress Street, as now widened,—the same being a line parallel with and uniformly distant twenty (20) feet northwesterly from the said line of Cypress Street as delineated on the map aforesaid, sixty-five (65) feet and to the said point of commencement in the said southwesterly line of Elm Street:

Together with improvements thereon consisting of a 2 story dwelling cement house, of 16 rooms, and double garage.

3.

Lots Nos. Seven (7) and Eight (8), in Block No. Nine (9) of the Re-subdivision of Tract 1 and a portion of Tract 2, of the property of The San Carlos Park Syndicate, as per Map thereof, filed in the office of the Recorder of the County of San Mateo, September 28, 1912, in Volume 8 of Maps, at page 24:

Together with improvements thereon consisting of a 6 room cottage.

Terms and Conditions of Sale

Cash, in lawful money of the United States; ten (10) per cent of the purchase money to be paid at the time of the acceptance of bid—balance on confirmation of sale by said Superior Court. Deeds at expense of purchasers. Purchasers to assume the payment of and take the properties purchased subject to all State, County, Municipal and other taxes and assessments of whatever kind or nature which are now, or may become chargeable against, or a lien upon said real properties.

Bids or offers for said real properties may be made at any time after the first publication of this notice, and before the making of the sale. All bids and offers for said real properties must be in writing and may be left with the said Administrator personally at his place of residence in San Carlos, County of San Mateo, State of California, or may be left at the office of Edw. F. Fitzpatrick, Attorney for said Administrator, No. 10 Broadway, Redwood City, California, or may be filed in the office of the Clerk of said Court.

Dated: September 8th: 1922.

JOSEPH M. POWERS,
Administrator of the estate of Charlotte Poole Powers, deceased.
EDW. F. FITZPATRICK,
Attorney for Estate. 2t

No. 9054.

SUMMONS

Mary McDonald, plaintiff, vs. Alexander McDonald, defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

James T. O'Keefe, attorney for plaintiff.

The People of the State of California send Greetings to Alexander McDonald, defendant.

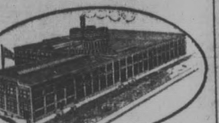

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 14th day of August, A. D. 1922.

ELIZABETH M. NASH,
Clerk.

Permanently Removing Spots by the **F. Thomas** *Process*

If spots come back after your clothes have been to the cleaners, cleaned by the "F. Thomas Process."

Spots that appear in clothing caused by grease, food stains, etc., quickly collect dust and dirt. They can be permanently removed by the "F. Thomas Process" without injury to the fabric.

The "F. Thomas Process" is a highly developed, scientific method of cleaning by which we obtain the perfect work for which this establishment is noted.

The cheap, "just as good" cleaner either washes your clothes in dirty gasoline, or scours his gasoline with strong sulphuric acid. It is dangerous to have your clothes cleaned in "acid" gasoline. It is economy in the long run to have your clothes they haven't been thoroughly cleaned.

Every drop of cleaning fluid that we use is carefully re-distilled in our plant. Special equipment that we have installed to properly handle this work represents an investment of thousands of dollars.

A HANGING WILL HELP

The death sentence will be asked for the men who confessed having pulled the spikes that wrecked the Michigan Central express, resulting in the killing of the engineer and fireman. The wreck was the result of a deliberate conspiracy and the conspirators knew that in all probability it would result fatally for several individuals. If the men are sent to the electric chair it will serve to dampen the ardor of some of our strong arm radicals.

Great news for lazy men! Dr. Royal S. Copeland, famous physician, says that manipulating the steering wheel of an automobile is fine physical exercise. But chances are he was thinking about jacking up the car and changing tires.

Coming Events

cast their shadows before them.

The Pacific Gas and Electric Company will shortly make an announcement of great importance to everyone residing in Superior California.

WATCH FOR IT!

Making 20 Years of Racing Serve Car Owners Today

IN the early days of automobile contests, Barney Oldfield—out to win every race—studied tires. His consistent success led other drivers to ask for tires constructed to his specifications.

Twenty years of road and track victories—with a steady and increasing demand for tires as he built them—convinced Barney Oldfield that these speed tests pointed the way to a better tire for everyday use.

The enthusiastic reception of Oldfield Cords by the public proved he was right. Scores of the most prominent dealers in the country—and many thousands of car owners, experienced in the use of tires—bear witness by their decided preference that Oldfield is doing a bigger and better job of tire making.

This volume, handled in an effective way in every phase of manufacture and distribution, has resulted in price quotations far below what you'd expect on tires known to be better built and more enduring.

Practically every important race event for three years has been won on Oldfields. The Wichita Test Run in which an entire set of Oldfield Cords covered 34,525 miles on rough roads proves the mettle of the Most Trustworthy Tires Built in everyday driving.

The Master Driver and Tire Builder has given the public a new standard of tire wear and tire cost—a true economy that every car owner should know about.

Your Oldfield dealer has these facts—talk to him.

The Most Trustworthy Tires Built

PENINSULANS INVITED TO S. F. CONFERENCE

Through the Redwood City Chamber of Commerce its members and all other residents of the peninsula have been invited to attend a conference in San Francisco next Wednesday evening, September 20 held under the auspices of the San Francisco Chamber of Commerce. In extending the invitation the San Francisco chamber says:

"As another expression of the awakened public consciousness of the importance of civic co-operation the San Francisco Chamber of Commerce announces a community conference for Wednesday night, September 20, in Larkin Hall of the civic auditorium. The object of the conference is to provide an open forum for the discussion of community needs. It is one of the important opening events in the movement to provide San Francisco with a bigger and stronger chamber of commerce.

"As the theme of the meeting is to embrace more than merely the advancement of San Francisco alone, an invitation has been extended to the public generally in communities in and adjacent to the bay region.

"The principal speaker of the evening is to be Robert Newton Lynch, vice president and manager of the chamber of commerce. His subject will be 'In Line with Duty.'

"A feature of the evening is to be the first public presentation of a motion picture film dealing with points of interest in northern and central California. This picture is to be given a wide circulation through the east.

"Music and other features of entertainment will be provided and it is hoped that Redwood City will be represented."

Times-Gazette Travel Club Manager

Miss Oma Perry, who is the manager of the Travel Club, is well known in newspaper circles, having been engaged in similar campaigns on the San Francisco Chronicle and the Call and upon the Lodi Sentinel, Santa Maria Times, Santa Barbara News, Ventura Free Press, Oxnard Courier, Fullerton Tribune and California Cultivator, also upon many eastern and southern papers.

Following are some of the newspaper comments upon Miss Berry's work:

San Francisco Chronicle—Miss Perry's work was so satisfactory in every way that we wished to keep her in our employ, but she left to continue on other papers in the work in which she has been engaged here.

The San Francisco Call—We can recommend Miss Perry as an intelligent, diligent worker and absolutely reliable in every way.

The Santa Maria Times—Miss Perry's work on this paper has been decidedly satisfactory in every way. It is business like from the start and during the entire campaign there has been no doubt that she has conducted it absolutely on the square.

California Cultivator, Los Angeles—I have known Miss Perry several years and in her work for me have found her thoroughly reliable, and honest as well as successful.

Miss Perry will remain in Redwood City until the close of the campaign, October 19.

BETROTHED

Cards have been sent in Redwood City and San Mateo to the friends of Miss Ruth Katherine Weller and Adolph Albert Gugel announcing their betrothal. Miss Weller is the only daughter of Mr. and Mrs. John P. Weller. She has resided in Redwood City practically all her life, her father being the manager of the local branch of the Bank of Italy. She is a graduate of Mt. Carmel Academy and Sequoia Union High School and attended Stanford University for a time, where she became affiliated with the Alpha Phi sorority. She is a charming young woman, an accomplished musician and is very popular in the younger circles of the community. Mr. Gugel for a number of years resided in San Mateo and attended the high school there. He is now a resident of San Francisco and holds a responsible position with the California Produce Company. No date has as yet been set for the wedding.

REDWOOD GIRL MARRIES

Miss Corinne Heiner surprised her many friends by the announcement of her marriage to Ohla C. Hinton of San Francisco in Alameda last Friday. The bride is the lovely daughter of Mr. and Mrs. Charles Heiner of Jefferson street and has a host of friends among the younger set of the community. The groom is a prominent young commercial artist of the city. Mr. Hinton, although born in San Jose, has made his home for many years with his mother in Cloverdale. The young couple expect to make their home in Redwood.

YOUTH TOURS COUNTRY AFOOT

Sunburned but persevering, Harvey E. Knight walked into town last Thursday and surprised us with the announcement that he had walked from New York in the last four months and is now on his way to Florida, from whence he will go to Alaska before returning to his home in New York. Young Knight has had many adventures in his hike from the east and expects more before finishing his journey, which he must complete within two years.

The young man started with nothing and after finishing his journey on foot he must have $50 in order to obtain eight years' free education, which his uncle promises him after completing this task.

He is to study four years of astronomy in New York and then go to Paris for a second four years of study.

LOCAL SHRINERS IN PILGRIMAGE TO SAN DIEGO

A party of local people consisting of Mr. and Mrs. Mark Ryan, Mr. and Mrs. John Poole, Miss Viola Poole, Mr. and Mrs. James Eva, Mr. Meek and Mr. and Mrs. L. Otson were among those who enjoyed the Shriners' excursion on the Yale to San Diego. The party stopped on their way south at Los Angeles and then proceeded to San Diego, where they were entertained at the Hotel Del Coronado. While at San Diego the Shriners made a trip over the border to Tia Juana.

MARRIED IN SAN JOSE

A wedding which came as no surprise to their many friends was that of Jane Kreiss, daughter of Mr. and Mrs. Henry Kreiss of Stambaugh street, to Henry Faber of Runnymede, which was performed in St. Joseph's church in San Jose last Monday. The bride, whose sunny disposition has won her many friends, is a graduate of the local high school and the groom is associated with his father in the dairy business in Runnymede. After a motor trip through the southern part o fthe state the young couple will make their home in Runnymede, where Mr. Faber has prepared a home for his bride.

TO VISIT I. O. O. F. HOME

Next Sunday the Rebekahs and Odd Fellows plan to motor down to Gilroy to visit the new Odd Fellows' Home at that place. They will meet at the I. O. O. F. Hall on Main street at 9 a. m.

Three brakes on many cars ~ *and one is always set*

As much as 20% of the power at the rear or driving wheels of the automobile may be lost through the use of an incorrect oil. Too heavy an oil, or one lacking in certain qualities, acts as a brake on the car.

The ideal oil is the thinnest oil which will keep the bearing parts separated, and at the same time offer in itself the least frictional resistance to the engine power going to the driving wheels.

This oil, providing it has "oiliness," stability and purity, will give perfect lubrication and permit the development of the maximum power, speed and gasoline mileage of the car.

Zerolene fills all these requirements perfectly.

The Ideal Oil

All bearing clearances decrease under the heat of operation.

Analysis of Zerolene shows that the differences in its body at the various engine temperatures, from cold to operating temperature, follow in close relation the decrease in bearing clearances.

For this reason Zerolene oils have at all operating temperatures exactly the required body to splash and flow freely into the fast-moving, small-clearance bearings to provide an adequate film of lubricant.

Because of this and its "oiliness," stability and purity, Zerolene gives perfect lubrication under all conditions of engine operation, and permits the development of the maximum power, speed and gasoline mileage of the car.

Board of Lubrication Engineers
STANDARD OIL COMPANY (California)

more power & speed ~ less friction and wear ~ thru *Correct Lubrication*

Silvertown
CORD TIRE
"BEST IN THE LONG RUN"

One Quality Only

The Silvertown is the pioneer cord tire of America. Its history is the record of every important development in cord tire construction. From the start it gave the motorist a new idea of tire service.

The Silvertown is made by an organization with 52 years' experience in rubber manufacture.

There is only one quality in Silvertown Tires. The materials and workmanship in one are the same as in all others. The name of Silvertown is always a symbol of one quality.

Your dealer will sell you the Silvertown in any size from 30 x 3½ up.

MENLO PARK NEWS

The management of the Menlo Park Theater will show a very interesting and popular program for the coming week. A high class Paramount picture program will be shown. Beginning Sunday, September 3, entitled "The Shiek," with a five-piece orchestra and soloists. On Wednesday, September 6, "Two Weeks with Pay." Bebe Daniels. Admission Day, September 9, featuring Betty Compson in "The End of the World." Tonight, Saturday, September 2, Pauline Fredericks in "Two Kinds of Women." Starting of the wonderful chapter picture, "The Trails of the Yukon." The extraordinary effort in obtaining these pictures will give the public a program well worth seeing. No advance in prices.

Alfred Johanson, son of Mr. and Mrs. August Johanson of Menlo Park, has returned from an extended trip through the eastern states, having visited 42 states on his trip. Mr. Johanson took the three months' rest after three years' work at the base hospital.

J. J. Deane, naval officer of the port of San Francisco, and his very charming wife have been guests of Mr. and Mrs. Leon Douglass for the past week. The Deanes are very enthusiastic about Menlo Park and vicinity. They spend much time at Hillsborough and Burlingame, but prefer this locality as a residence district.

Francis T. O'Brien and wife will shortly move to San Francisco, where they have taken a house on Leavenworth street. Mr. O'Brien recently resigned his position as one of the secretaries of the Knights of Columbus headquarters at the base hospital, a place he has held for the past three years.

Miss Bertha Kuck was given a surprise party by the children and parents of Los Lomitas school district last Saturday afternoon. Miss Kuck taught in the school for several years, but will take charge of a class in the Menlo Park school next term and the party was therefore in the nature of a farewell by her pupils with whom she is exceedingly popular. The children gave their retiring teacher a beautiful fern as a token of their esteem and love. Miss Kuck was overcome with emotion in taking leave of her former pupils. Delightful refreshments were served on the spacious lawn by the parents of the children.

Dr. W. C. Finnigan, a graduate of the College of Physicians of San Francisco and for some years a practicing dentist, has opened an office in the Coxin block. The doctor has come to Menlo Park well recommended and will no doubt build up a large practice here.

The primary election on Tuesday passed off quietly. Over 80 per cent of the voters in the two Menlo Park precincts were polled. The voters stood loyally by the local candidates, giving them excellent support. The vote of the two precincts was as follows:

Governor—Stephens 79, Richardson 47.
Senator—Johnson 84, Moore 47.
Assembly—Eksward 64, Hallinan 30, Jones 14.
Associate justice of supreme court—Shurtleff 164, Kerrigan 79, Seawell 81, Sloane 13.
Sheriff—F. P. Roach 201, Lampkin 18, Hirschey 0.
Constable—Walsh 184, Larrecou 26, Feliz 6.
Precinct No. 2:
Precinct No. 1:
Governor—Stephens 79, Richardson 53.
Senator—Johnson 77, Moore 66.
Associate justice—Shurtleff 115, Kerrigan 66, Seawell 72, Sloane 39.
Assembly—Eksward 53, Hallinan 15, Jone 33.
Sheriff—Roach 166, Lampkin 39. Hirschey 6.
Constable—Walsh 143, Larrecou 48, Feliz 15.

Rev. Ralph P. Smith, rector of Trinity Episcopal church at Redlands, has accepted a call to the Episcopal church here to fill the vacancy caused by the resignation of Rev. Hugh Montgomery. The Daily Facts, Redlands, has this to say about the appointment: "The new place carries an increase in salary to the popular Redlands rector, although the community is a small one. It is a residential section for San Francisco and the parish is made up principally of business men who commute to San Francisco. The church is a frame structure and the parish dwelling is a block distant in a 6-acre grove of live oak trees. It is anticipated that when the new church is erected it will also be placed in this grove. Mr. Smith came to Redlands in 1912 from Sioux City, Iowa. In his pastorate of 10 years here he has made many friends and admirers, not only because of his talents as a preacher, but through his large interest in humanitarian work of many kinds. He has led in local social and humane welfare work, for which he is amply equipped by education and practical experience. Many warm friends will sincerely regret that he is soon to take his departure."

Mr. and Mrs. L. P. Booz and their daughter, Deaconess Margaret Booz, departed recently for their old home in Perth Amboy, N. J. The family has resided here for several years.

This evening at 8 o'clock Miss Mildred Morton will be united in marriage at her home on Santa Cruz avenue to Edwin T. Norman of Willets. Rev. George A. Pollard of Palo Alto will officiate. The bride will be attended by her sister, Ethel Morton, and the best man is to be Walter Rung of Oakland. The pretty bride is to be given away by her father. The wedding is to be a quiet family affair. Miss Morton is a prominent member of Menlo Parlor, N. D. G. W.

The Native Daughters are planing a mask ball for October 7. Make no engagements for that date.

Rev. Father Glennan, assistant pastor of the Church of the Nativity, is enjoying a two weeks' vacation in Los Angeles.

Menlo Parlors of the Native Sons and Native Daughters will participate in the parade on Admission Day at San Jose. Both parlors will join and march together. The Native Daughters promise something unique in the way of colors and gaudy dresses. They are to outdo their big brothers in that respect.

At a meeting held in the parochial hall on Thursday afternoon the Ladies of Charity elected the following officers: President, Mrs. C. A. Devol; vice president, Mrs. E. P. Mahoney; treasurer, Mrs. Frank Derry; secretary, Mrs. C. T. Maloney. The ladies are busy making arrangements for a card party to be given in Native Sons' Hall on Tuesday evening, September 12. Admission 25 cents. All are urged to attend and help this worthy cause.

Woodside Chirps

Extensive improvements are under way on the old Hildebrand place recently purchased by J. B. Crowley of San Francisco. The old house has been wrecked and removed, a concrete garage and a large concrete swimming pool are now under construction and immediately after the completion of these the house will be begun. The Pollard Constructon Company has the contract.

William L. Hathaway has also begun the improvement of his property lately purchased from the Spring Valley Company. An entrance way is being built, a road constructed and the grounds laid out. Later a very handsome residence will be built. Percy D. Jarvis has the contract.

Woodside turned out 90 per cent of her registered strength at the primary election on Tuesday. But withal it was a quiet affair. Harry Jenkins was elected judge for the precinct, a position he has held off and on for the past fifty years. He told us tales of the old days. I won't say if there was a note of regret in his voice, of the old days before the Australian ballot, when whisky flowed freely from daylight till long after dark, when fights were frequent and when one must carry the reputation of a strong arm or walk softly when he approached the polls.

J. L. Ross Jr. and wife have returned from a two weeks' motor trip to Crater Lake and vicinity. They report a very enjoyable time on their vacation with plenty of fishing and magnificent scenery, but Joe says that the road between Crescent City and Grant's Pass is no place for the amateur driver to practice on. What impressed them most on the whole trip was the splendid farming possibilities in the Rogue River region of southern Oregon.

Prune picking has begun in the Woodside orchards and both the Hale place and the Folger place look as busy as a bee hive.

Miss Louise Mahon, niece of Benjamin St. John, is spending a week in Sacramento, visiting friends.

Mrs. Billings and Miss Hichborn of Los Angeles who drove up from the southland by easy stages, stopped at many places en route, have been spending several days with Mrs. Fred Mighall.

Miss Addie Tripp invited a number of her Woodside friends to an afternoon at the old homestead on Wednesday. Music, gossip and most excellent refreshments occupied the afternoon. The gossip was necessarily limitd because of the number present. Among those who came were Mrs. Fred Mighall, Mrs. May McArthur, Mrs. Henry Jenkins, Miss Elizabeth Jenkins, Mrs. Andreen, Mrs. Benjamin St. John, Mrs. Keyston, Mrs. John D. Gish, rMs. William Welch, Mrs. Harold Allen, Mrs. Westcott.

Special religious services will be held on Sunday at the Church of Our Lady of the Wayside at Portola. The music will be furnished by the members of the Family club. This is an unusual event and always in the past has attracted wide attention as the club numbers among its members many of the best known musicians in this part of the country.

There was a caustic criticism some time ago in one of the San Francisco papers directed at us dwellers in the country because of our lack of enthusiasm over our Sunday visitors from the city. One basis for our objection to this invasion will be seen along our roadsides which are left each Sunday well lined with discarded lunch boxes, empty sardine cans, Sunday newspapers and mutilated scraps of food. If the picnicing public would be a little more regardful of the rights of property and help us a little in our efforts to keep the roadways clean and attractive looking, they might win from us a more enthusiastic welcome.

A young and doughty Scot by the name of James Stuart Wilkie has recently arrived in Woodside. While the father takes an equal pride in the visit, it is likely that the young man will spend the greater part of the next few days in close association with his mother.

The pupils of the Woodside school are preparing special exercises for Friday next, to celebrate the anniversary of Admission day.

Rev. Benjamin St. John has been giving to his congregation a series of talks on the lives of some of the old Hebrew patriots and prophets. Jeremiah and Ezra and Esther have each furnished the topic for sermons and last Sunday he spoke of Nehemiah the young cup-bearer to Artaxerxes who left his high position at court with its opportunities for financial, social and political advancement in order that he might devote his time to the uplifting of his people. It is rarely that a rural community has the good fortune to be ministered unto by a man of the scholarly attainments of Mr. St. John.

Thayer Messer is mourning the loss of his dog "Steve," a wire-haired fox terrier of aristocratic lineage. Thayer is uncertain whether to advertise his dog as strayed or stolen.

MENLO PARK TO BE IN DISTRICT DIRECTORY

Menlo Park is to have representation in the directory of the Redwood City district soon to be published in the Times-Gazette office under the supervision of Willis L. Hall, an experienced directory publisher. Menlo Park will enjoy and benefit by this kind of a book, which will contain all information that can be secured about the locality. The effort will be made to secure the name of every person 18 years of age or over for the directory list. All business establishments, the churches, schools, lodges and other organizations will be listed. The advertising part will be given special attention in order that patrons may realize full returns on their investments. During the week representatives and solicitors will take the field and present the project to all concerned in the welfare and progress of Menlo Park.

A Triumph for Value

IN the past two months Firestone has built and marketed more tires than in any similar period in its history.

This steadily increasing public preference is proof of the recognition by car owners of the greater values offered by Firestone. It is a tribute to Firestone men—all stockholders in the company—all actuated by the operating principle of Most Miles per Dollar.

The high average performance of Firestone Cords is without equal in the annals of tire making and is reflected by the general tendency to specify Firestone for hard service. Taxicab and bus lines, buying tires by the mile, are universally equipping with Firestone Cords.

There are many reasons for the high quality of Firestone tires but chief among the special manufacturing processes are double gum-dipping, thus eliminating internal friction by insulating each cord strand, and air-bag cure, insuring a well-balanced and perfectly shaped product.

Don't speculate in tires—you will find the right combination of price and quality in Firestone. Come in and let us tell you about the service these Cords are giving other car-owners whom you know.
